Standard Conditions Live Eagle Exhibition Permits 50 CFR 22.21

All of the provisions and conditions of the governing regulations at 50 CFR part 13 and 50 CFR part 22.21 are conditions of your permit. Failure to comply with the conditions of your permit could be cause for suspension of the permit. The standard conditions below are a continuation of your permit conditions and must remain with your permit. If you have any questions regarding these conditions, refer to the regulations or, if necessary, contact your migratory bird permit issuing office. For copies of the regulations and forms, or to obtain contact information for your issuing office, visit: <http://www.fws.gov/migratorybirds/mbpermits.html>.

1. The intent of this permit is wildlife conservation education. Your educational programs must include information about migratory bird ecology, biology, and/or conservation.
2. You must present a minimum of 12 programs that are open to the public each year with each eagle held under this permit.
3. Live eagles must be kept under control at all times and are not allowed to come in contact with the public.
4. You may not display any eagle(s) in any manner that implies personal use. You may not use any eagle(s) to promote or endorse any product, merchandise, goods, services, business or organization except your own educational activities.
5. Whenever you exhibit any eagle(s) held under this permit, you must include either a written or verbal statement that your possession and exhibition of the eagle(s) is by permission of the U.S. Fish and Wildlife Service.
6. Any eagle(s) held under this permit must be non-releasable.
7. You are not authorized to propagate eagles held under this permit. Eagles should be housed in a manner to prevent breeding. If eggs are laid, you must report it to your migratory bird permit issuing office within 48 hours.
8. Any eagle(s) held under this permit must be housed at the location(s) identified in this permit.
9. Your facilities and equipment must be adequate for each eagle you hold under this permit. All eagles must be maintained under humane and healthful conditions.

Criteria used for evaluating and inspecting eagle facilities will be based on guidelines established by the Raptor Center, University of Minnesota's "Raptors in Captivity: Guidelines for Care and Management".

This publication is available from the National Wildlife Rehabilitators Association at www.nwrwildlife.org/pubs.asp.

10. Eagles must be separated from pets. Eagles must also be separated from human living or work space or migratory birds held under other permit authorization except as necessary to provide appropriate rehabilitative care.
11. You must obtain prior written approval from your migratory bird permit issuing office before you may acquire, transfer, or dispose of any eagle(s).

To acquire or transfer any live eagle(s), you must submit a Migratory Bird Special Purpose Possession (Education) Permit Acquisition and Transfer Request (Form 3-202-12) along with all required attachments listed in the form instructions. You may acquire or transfer a live eagle *only after* you receive written approval from the permit issuing office.

12. You must report the death or escape of any eagle(s) to the migratory bird permit issuing office on a Form 3-202-12 within 5 business days.
13. All molted eagle feathers and carcasses must be shipped to the National Eagle Repository. Contact: **U.S. Fish and Wildlife Service National Eagle and Wildlife Repository, RMA, Building 128, 6550 Gateway Road, Commerce City, Colorado 80022, (303) 287-2110.**
14. A subpermittee is an individual to whom you have provided written authorization to conduct some or all of the permitted activities in your absence. Subpermittees must be at least 18 years of age. As the permittee, you are legally responsible for ensuring that your subpermittees are adequately trained and adhere to the terms of your permit. You are responsible for maintaining current records of who you have designated as a subpermittee, including copies of designation letters you have provided. Other individuals, including those under the age of 18, may conduct the permitted activities only if you or a designated subpermittee are present.
15. You and any subpermittees must carry a legible copy of this permit, *including these Standard Conditions*, and display it upon request when exercising its authority. Subpermittees must also carry your written subpermittee designation letter.
16. Any eagle(s) held under this permit remain in the stewardship of the U.S. Fish and Wildlife Service and may be relocated at any time for just cause.
17. You must maintain records as required in 50 CFR 13.46 and 50 CFR 22.21. All records relating to the permitted activities must be kept at the location indicated in writing by you to the migratory bird permit issuing office.
18. Acceptance of this permit authorizes the U.S. Fish and Wildlife Service to inspect any wildlife held, and to audit or copy any permits, books, or records required to be kept by the permit and governing regulations.
19. You may not conduct the activities authorized by this permit if doing so would violate the laws of the applicable State, county, municipal or tribal government or any other applicable law.
